# Trends of Signs (*Rāśi's*) from 1 – 15 Mar 2022

BASED ON MOON SIGNS – THE INDIAN SYSTEM AS PER THE DATES

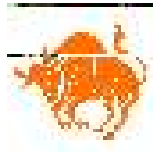

**Dr. A. Shanker**

## **Aries (*Mésh*)**

**March 21 – April 19**

This is a good time for Aries people in terms of health. People suffering from serious diseases such as blood pressure, heart and sugar patients will improve. Economically this is an average period. Avoid giving or taking loans during this period. Unnecessary disputes may arise within the family and break in partnership is indicated. Those dealing in the stock market may suffer losses. There is a possibility of a rift with relatives and obstacles will be faced in auspicious work. Relations between brothers will be cordial. Business will increase. There are indications of profit in respect of land and vehicle. Builders will benefit. Land deals will increase. But, avoid deals on March 5 and 6. This is an average duration for students. The mind will be restless. You will not get the expected results in the examinations. For this you have to work harder. Enemies will try to harm you secretly but will not succeed. The relationship between husband and wife will be normal, although there will be doubts about each other. So be careful with your behaviour. Drive the vehicle carefully and do not go on a journey. Avoid slander as social prestige will suffer. Even if you help someone, it will not help any gain in honor and position. This is a good time for metal traders. The timing is lucky for politicians too. There are chances of getting success in court cases. There is a waste of money on the cards.

## **Taurus (*Vīrśh*)**

**20 April – 20 May**

Time is favorable in terms of health. But people suffering from gastric and stomach ailments, heart problems and blood pressure need to be careful. Stomach patients need to be careful while taking food. Financially, this is an average time. Like the relationship with friends and colleagues, family relations will also remain the same. An average time to trade. There will be a decline in the property business. As far as land and vehicle are concerned the loss is indicated. Auto and metal traders will suffer. The auto parts business will also go down. However, businesses related to stone, grain, electricity and AC will prosper. This time is favorable for the students. Studies will go well and success in examinations is predicted, especially for those in the medical and accounting fields. Opponents will be defeated. Married life will be troubled; Try to avoid deviant behavior. There are signs of accident so drive carefully. Social prestige

and fame will increase. Success is indicated in court. Government servants will get promotion opportunities. There is a possibility of extravagance, so people associated with the stock market and lottery business should be careful.

## **Gemini (*Mithūn*)**

**21 May – 20 June**

Time is not good for Gemini sign people on the health front. chronic diseases will worsen; New diseases will be contracted. The timing is especially bad for people suffering from sexual dysfunction, hernia and hydrocele. Women can get sexually transmitted diseases like leucorrhoea. People suffering from piles need to be careful. The condition of the patients of depression is likely to worsen. Practice meditation yoga to stay healthy. Dental patients are suffering. Financially the time is good. Family ties will be strong. You will get the support of friends and colleagues. Money stuck for a long time will come out. Good things will happen in the family. Relations with brothers will be strong and misunderstandings will be removed. Business will improve and profit in land and vehicle is on the cards. Time is especially good for those running medical stores and those working in the field of astrology. Time is favorable for students. But problems will arise for people whose Moon and Saturn are in unfavorable position in their birth chart. There are signs of financial and mental loss. The fear of opponents will increase. Married life will be normal. Your interest in religious activities will increase; Pilgrimage is on the cards. There are signs of gain in social prestige. However, there will be hurdles for the salaried people; Promotion may also be delayed.

## **Cancer (*Kārk*)**

**21 June – 22 July**

It is a good time for Cancer people in terms of health. The condition of people suffering from high blood pressure, heart disease and sugar will improve. But the timing is unfavorable for gastric and ulcer patients. March 11, 12 and 13 are particularly bad for patients with serious illnesses. Family ties will be strong. You will get the support of friends and colleagues. Mutual differences will be resolved. Financially the time is good. You will get the money you lost or left stuck. If there is any dispute with brothers, then it will be resolved. It's a good time for partnership. It is a good time for people associated with metal business and surgeons. There may be a rift with the parents. The health of the parents may deteriorate and there is a possibility of suffering mentally. Therefore, use your words carefully and responsibly. March 5 and 6 is particularly unfavorable for students. The rest of the fortnight is average. The percentage will drop in the exam. There is a possibility of loss from friends. You may be interested in useless things. The relationship between husband and wife will remain the same. Wife can be emotional; So, beware of being attracted to a stranger. Avoid travel. You will benefit socially.

Honor and fame are on the cards. An average duration as far as getting employment is concerned. There are signs of extravagance, so avoid giving big loans to anyone.

## **Leo (*Sīmhā*)**

**23 July – 22 August**

Average time in terms of health. Time is unfavorable for people suffering from high blood pressure and heart disease. Not a good time for people suffering from blood problems and allergies. Financially the time is good. Family environment will be good. Good things will happen in the family. There will be profit in joint business. The stopped money will be gone. In case of differences with friends and colleagues, they will be resolved. Relations with brothers will be strong. Profits in business are indicated, especially for property business and builders. There may be some hurdles but be patient. Mother's health may deteriorate. This is a favorable time for students, especially those in the technical field. Job opportunities will come. Avoid getting into fights with students. It is a difficult time for pregnant women. Enemies will be defeated. The relationship between husband and wife will be good and lovely. Beware of misunderstandings. This can adversely affect social fame and respect. Good profit is on the cards in business. But those doing government jobs will have difficulty in getting promotion. There will be unnecessary dispute in the office. There is also an indication of extravagance.

## **Virgo (*Kanyā*)**

**23 August – 22 September**

Time is good on the health front. Serious patients will improve. People suffering from high blood pressure, sugar and heart disease will feel better. Stomach patients should be careful in eating habits. Financially, this is an average time. You will spend more than necessary. There is a possibility of unnecessary disputes with family members. There are signs of differences with friends and colleagues. There will be obstacles in good works. Happiness from land, vehicle and property will be normal. Property business will be good. Rest of the work will be interrupted. Father's health will be poor. This is a great time for the students. Interest in studies will increase and there is a chance of success in examinations. Job opportunities will remain. There are signs of getting good news from the child. There will be less fear of enemies. Married life will be full of love. There will be chances of marriage for bachelors. Attraction towards others will also increase, so be careful. Pilgrimage is on the cards. You will be respected socially. You can be honored. There will be an increase in business especially for the people associated with the business of grain, paper, stone. Those doing government jobs can get promotion.

## **Libra (*Tūlā*)**

**23 September – 22 October**

This is a good time for Libra people in terms of health. Serious diseases will be treated. Hypertension, diabetes and heart patients will improve. Digestive system will be good and physical strength will increase. But people who have Moon and Saturn in inauspicious place in their horoscope, they have to face mental stress and financial loss as well as health problems. Financially the time is good. Ketu will hinder the smooth completion of tasks. Family relations will be normal. Unnecessary disputes are likely. Differences will arise among women. Don't give loan to anyone. Relations with the family will be full of love on the mother's side. A good time for land and vehicle deals. There is a possibility of profit in all types of business, especially for those in the metal business. Property trading will remain sluggish as will be the case for stock market people. For students, this is an average time. They will be distracted and peace of mind will be elusive. There will be interruptions in work. Marital life will also be average. Wife's health may deteriorate and there is a possibility of getting into unnecessary disputes. Drive the vehicle carefully, there is a possibility of an accident. Avoid travel. You will gain in social respect; Try not to be proud. The worries of the ruling party will be removed. There is a possibility of success in court cases. Politicians will be honored. There will be promotion of government employees.

## **Scorpio (*Virīschīk*)**

**23 October – 21 November**

Favorable time is on the cards on the health front. But people suffering from high blood pressure, diabetes and depression need to be careful. Family atmosphere will be pleasant. Mutual relations will be friendly. But there is a possibility of tension in the partnership, so be careful. Economically average time. Avoid giving or taking loans. Relations between brothers will be strong. Sisters will get full love and financial help from brothers. General happiness about land and vehicles is on the cards. Businessmen related to electricity, grain, paper and bullion will benefit. Property business will remain sluggish. Do not invest on 11th, 12th and 13th March. Also, avoid investing too much in business. Average time taken for students. There will be mental disturbance and there will be loss of interest in studies. Beware of batchmates as there are chances of mutual disagreement and conflict. Parents will be a little worried about their children. Pregnant women can get stomach diseases. Relations between husband and wife will be normal. Avoid misunderstandings. The wife is likely to have a sexually transmitted disease. Cancer patients need to be extra careful. You will get a chance to do social work. There will be religious functions. You will gain in social respect and prestige. There are indications of benefits for government employees. Those trying to enter the army or police force will get success.

## **Sagittarius (*Dhānū*)**

**22 November – 21 December**

Average time in terms of health for Sagittarius. Time is unfavorable for cancer patients. Blood pressure, sugar and heart patients also need to be careful. Dental problems will increase. Others will not face any problem on the health front. Financially the time is good. Stuck money and money will be released. Relationships with friends and colleagues will strengthen. Old disputes will be resolved. Good things will happen in the family. Relations with brothers will be cordial. Land, vehicle amenities will be normal. Those whose Moon and Saturn are in inauspicious place in their horoscope, they will have to face loss. Saturn can create obstacles. Do not do land and vehicle deals and purchases on March 13, 14 and 15. This is the average time for the students. No major success is on the cards. Parents will be a little worried about their children. There will be fear of opponents. Married life will be on a similar vicissitudes; There is no major gain or loss on the card. Your interest in religious work will increase. Pilgrimage is depicted as a cosmic journey. Time is beneficial for stone, grain and cloth traders as well as those running medical stores. A declining trend will be seen in the metal business.

## **Capricorn (*Makar*)**

**22 December – 19 January**

This is a favorable time in terms of health for the people of Capricorn. But those whose Moon and Saturn are in inauspicious place in their horoscope, time is not favorable for them. Time is unfavorable even for serious patients. Cancer sign patients will go through a painful time. The condition of others will improve. Healthy people will not get sick. Financially, this is an average time. Due to Shani's half-century, there will be unnecessary expenditure. Lost money will not be recovered. Family quarrels and conflicts with friends and colleagues will hinder work. Such problems will arise only for those people whose Moon and Saturn are not in a favorable position in their horoscope. There are chances of conflict with brothers. Land and vehicle comfort is normal. There will be less profit in the property business. Avoid taking large loans. The time is average for the students as well. Efforts made will not lead to success. Percentage will drop in the exam, so be patient. Parents will worry about children; The behavior of the child will upset the parents. Pregnant women will have to face trouble. Married life will be good and love will increase between the couple. If either of them is a patient then the situation will improve. There is a possibility of promotion in the job. There will be no loss in social honor and prestige. Despite the obstacles, your work will be completed. Politicians may lose respect.

## **Aquarius (*Kūmbh*)**

**20 January–18 February**

Time is not good for Aquarius sign people on the health front. The timing is especially bad for heart patients. Stomach ailments are likely for a healthy Aquarius. For those whose Moon and Saturn are in unfavorable position in their horoscope, time is particularly bad for them as Shani's half-century is near. Therefore, heart patients may suffer a paralysis attack. Economically average time. There may be trouble in family relations. There are chances of conflict with neighbors. Unnecessary differences with friends and colleagues are also likely. There will be obstacles in good works. There is a possibility of property dispute with brothers and there is a possibility of a court case. There are chances of loss in relation to land or vehicle. Do not deal and buy land and vehicles on March 1, 2 and 3. Avoid giving or taking loans on these dates. Students will face disappointment. Unnecessary thoughts will increase mental tension. The test result will not be more than expected. So study with patience. Parents will be especially worried about children. Married life will be happy; Husband and wife will come closer and misunderstandings will be removed. You will gain in social status; There will be an increase in prestige. But you will have to face disrespect from the people close to you. Good news is expected from the ruling party. Lucky times for politicians.

## **Pisces (*Meén*)**

**19 February – 20 March**

This is a favorable time in terms of health for the people of Pisces. Serious patients will improve. People suffering from high blood pressure, diabetes and heart diseases will also see improvement. Time will be slightly unfavorable for people suffering from stomach diseases like gastric and ulcer. Financially, this is a good time though at times there will be extravagance and payment may get stuck. Be patient during such times. Happiness and peace will reign in the family. You will get the support of relatives, friends and colleagues. Mutual differences will be resolved. There are signs of dispute in partnership. Time is good for land, vehicle and property business. Parents will be full of love and their behavior will bring happiness. Differences, if any, with the father will be resolved. It's a great time for students too. Success is on the cards. Job opportunities will present themselves. Relationships with friends and teachers will be strong. Couples looking for progeny will be successful. Son will be famous. Married life will also be on equal footing. Do not doubt your partner. Unnecessary disputes can also happen. There will be gain in social prestige and prestige. Hard work is expected from the ruling party. The situation will improve in court cases.
