

THE ELEPHANT & THE ANTS

There was once a proud elephant who always bullied smaller animals. He would go to the anthill near his home and spray water at the ants. The ants, with their size, could do nothing but cry. The elephant just laughed and threatened the ants that he would crush them to death. One day, the ants had enough and decided to teach the elephant a lesson. They went straight into the elephant's trunk and started biting him. The elephant could only howl in pain. He realized his mistake and apologized to the ants and all the animals he bullied.

MORAL : Be humble and treat everyone with kindness. If you think you're stronger than others, then use your strength to protect them instead of harming them.

There was a crow which was very thirsty. He searched for water every where. At last he saw a water pot near a well.

He looked inside the pot. There was very little water in the pot. The crow saw some stones nearby. He thought of a plan. He picked up some stones.

He put them one by one into the pot. The water level in the pot came up. The crow drank the water and flew away happily.
