## Important

How are you girl? Or should we ask, how did you do, Virgo? But after another year has passed, does it matter now? Well, as the wise man of Virgo, you've always loved the idea of re-examining your past for the things that work for you and the things that don't. Yet, this year, don't let yourself feel sorry for the lost opportunities as it is yet to happen. Having said that, Virgo Horoscope 2023 advises you to find practical answers to the questions that are bothering you to start your new year. Doing so will ensure that you do not miss another opportunity in 2023.

Strong presence of Jupiter in 2023 Virgo Horoscope The beginning of the second quarter of the year will bring good prospects for business success, marriage and child birth. Also, love affairs will blossom under the influence of Venus throughout the year. But as we are moving towards the end, Ketu transit advises you to focus on your relationships and financial matters. Also, due to strong Mars and Mercury in the horoscope, you will get many opportunities to

travel in the year 2023 from the beginning of the year. According to Virgo Horoscope 2023, some of you may be able to earn money by traveling this year.

Considering the professional opportunities, they will have a lot to offer in 2023, especially if you are in the research or legal field. Although Ketu and Mars are placed in the third quarter of Virgo Horoscope 2023, people practicing legal services need to be honest towards their work and do it sincerely to not be affected by Mars. At the beginning of the year and after September, Virgo people will get plenty of opportunities to move forward in business. If you are working in a corporate environment, avoid arguing with your co-workers. However, a strong Venus in this period gives you an opportunity to form some romantic bond with your partner.

The best advice that Virgo Horoscope 2023 gives you is to be patient in life. As a Virgo, you are powerful, courageous and always ready to win. And when you set your mind to something, you like to get into it until you achieve it, which is both a pros and cons. Virgo horoscope wants you to know that in focusing your mind on something, you sometimes overlook things that are more practical and beneficial. As a leader, having the propensity to finish what you started is a virtue, but in 2023, you need to stop and think whether there are alternatives to achieving the greatness you want?

## **Love Life**

This year you will have such love which you would have never imagined. The strong presence of Venus in Virgo Love Horoscope 2023 will prompt the shy ones to seek love and the adventurous ones will eventually attain the maturity to find a balance between the desire for a relationship and their professional life. In fact, the transit of the Moon in the first half of the year will encourage you to look for long lasting relationships.

If you have been friends with the opposite sex for some time now, chances are you may feel a sort of attraction towards them. Astrologers

suggest not to be desperate to act on the feelings and assess them before expressing them. Also, there is a high chance that you may misinterpret the signals coming from them, so don't rely on them.

If you are in a relationship or married, then in the first quarter of the year, some disputes may come up in your relationship. The presence of Saturn in the horoscope during this period indicates that you should not tell each other's past mistakes, as doing so will only add to your troubles as a couple. Love Horoscope 2023 asks you to avoid unnecessary arguments especially to hurt each other's egos.

Later, the transit of Jupiter and Rahu in the second quarter of the year asks you to beware of secret love or any bond which is morally wrong. Astrologers say that by doing this your bad karma will increase, for which you will have to repent. Jupiter is called Guru or teacher.

Thus, a strong presence of Jupiter will be detrimental in such a way that the planet will do anything and everything to teach you a lesson for your wrongdoings. If someone is planning to propose or ask for marriage, then the month of June is the best for him. Don't be flashy but work on aesthetics to make the offer memorable and increase your chances of hearing a yes. Virgo Horoscope 2023 states that the month of June is also good for travelling. So as a couple, you might consider spending some time together amidst the mountains, away from the hustle and bustle of life.

The months of July and August are desirable for love marriage. Hence, you can make such plans during these months. If your parents don't agree, it's time to do so. Mars in search of love through arranged marriage, love horoscope 2023 is coming with unexpected relationship proposals after the month of August.

In the last quarter of the year, it is advised that you continue to keep your secret love a secret as the involvement of your parents may create difficulties in your relationship with your partner. Be careful with your siblings in this period as they may create hurdles in your relationship, says Virgo Horoscope 2023.

## Income Prospects

A lot is happening in terms of finances in the first quarter of 2023 for Virgo. From the beginning of the year, the income of independent businessmen and people associated with the business related to consumable goods can see an increase. However, this is not the best time for business expansion when considering doing so. Also, this is a good time to buy a vehicle. However, the 2023 horoscope warns you about the lack of financial support from the family, so you are likely to be alone in such an endeavor. At the beginning of the year, the combination of planets related to economic matters is serious. So if you take decisions without thinking then you are likely to suffer loss.

In the first quarter of the year, expenses may be substantial for you and the sources of income will be less. Don't expect much profit from the stock market in 2023. However, if you change jobs then you are likely to get a salary increase and a good hike. The transit of Rahu and Jupiter can give you the opportunity to travel abroad in the third quarter. Plus, 2023 would be a great time to travel abroad if you're saving for one. As per Virgo Horoscope 2023, Sun and Mercury may make some expenditure for children.

In the second half of 2023, Virgos can expect an increase in income. As your finances are dominated by Jupiter in 2023, the harder you work, the more benefits you will get. The month after August can open additional sources of income for you. Nevertheless, you are advised not to incur unwanted expenses. However, you shouldn't compromise too much, especially when it comes to things that are essential to your well-being, for example, a short trip or a dinner date with your partner. Also, Virgo horoscope states that there will not be a lot of health expenses for you to worry about, and hence, you can save a lot here.

As per Virgo Horoscope 2023 any major investment, such as in property, should be made after the second quarter of the year. If there is any dispute going on in the family regarding property, then it would be wise to avoid taking big decisions at this time. , you have a good chance of getting a return on your previous investment in the third quarter of 2023.

## Career

A lot is happening in terms of finances in the first quarter of 2023 for Virgo. From the beginning of the year, the income of independent businessmen and people associated with the business related to consumables may increase. However, this is not the best time for business expansion when considering doing so. Also, this is a good time to buy a vehicle. However, the 2023 horoscope warns you about the lack of financial support from the family, so you are likely to be alone in such an endeavor. At the beginning of the year, the combination of planets related to economic matters is serious. So if you take decisions without thinking then you are likely to suffer loss.

However, you shouldn't compromise too much, especially when it comes to things that are essential to your well-being, for example, a short trip or a dinner date with your partner. Also, Virgo horoscope states that there will not be a lot of health expenses for you to worry about, and hence, you can save a lot here.

Any major real estate investment will be fructuous by the second quarter. Avoid decision on family dispute about property. A good return on your previous investment in the third quarter is expected.

## Family

Family environment may seem gloomy. But, with Jupiter comes into you and the entire family will live in harmony. There may be some changes or modifications in your family around the second half of the year. Your siblings may move to another place owing to retrospective planning or professional needs or minor disturbances in your family life. However, by the grace of Jupiter and Saturn, you will remain undisturbed.

Unfortunately, your thoughts and actions are not compatible with those of your family. Hence Virgo sign people will have a bad start this year. The transit of Saturn in Aquarius in the first quarter can bring many ups and downs in your family circumstances. People older than you may disagree with you due to professional reasons. Discuss any problems amicably. Keep your cool to get things better around the second quarter as per the Virgo Family Horoscope 2023.

In the new year 2023, many happy moments may welcome you the people of Virgo. Your act of self-assessment and giving a patient listening to your family members will greatly benefit you. Thanks to auspicious Venus. At the end of the year, your child may be in trouble. But overall the second half of the year will be enjoyable for Virgo people.

Besides health issues with grandparents. When Rahu is in Pisces around the last quarter, and Mercury is also in action, you may apprehend health disorders in family members. You too need to be careful about being infected due to moving around them. The same period will be beneficial for the people of Scorpio zodiac. They will do well in their work and studies with health condition.

## Health

Furious nature Virgo natives in 2023 will wrack health issue. Your control over anger, may ensure good health throughout the year. The best way to control your anger according to Virgo Horoscope 2023 is to eat healthy and take proper rest besides spending more time with your spouse or partner.

Stress and anger are related to the Moon. Following are measures to please the Moon. Till June 2023, you should be careful not only about your health but also the health of your children. Try not to miss regular check-ups or medication. Due to the transit of Rahu, the elderly may have some eye-related problems during this period.

Also, astrologers suggest that we should reduce our dependence on medicine as much as possible in 2023. For example, if you take sleeping pills or pain relievers, try to avoid them as much as possible.

To enjoy good health in 2023, Virgo Horoscope 2023 suggests, is to take to naturopathy including waterfall remedy.

There may be aggravated be skin problems in the last two quarters of the year in pregnancy. In, the last quarter of the year is the best time for pregnancy. Women already pregnant should avoid stress, and reduce screen time, and practice moon-strengthening remedies for a positive effect on the mental health of both you and your child. If possible, take babymoon in the month of June 2023, it interesting these days.

Overall, there is nothing to worry about your health in 2023. Just try to avoid over work and to cope with sleep problem, exercise regularly.

## **Marriage**

Virgos are devoted lovers but always on alert to protect themselves from complicated and confusing situations and relationships. Virgos take their time to make sure they are always with the right person at the end of the day.

Virgo marriage horoscope predicts the return of your ex beloved by the blessing of Jupiter. Old matters will get resolved and thus both of you can think of starting all over again. Over indulgence in love during this period will not hurt but will strengthen your bond as a couple. The presence of Saturn and Rahu in Virgo in February 2023 can bring negative energy to couples. To counter it, you should spend more time with your family or on a trip with your spouse.

Those are planning to get married this year stand a good chance as a delay may occur in finding suitable bride or groom in the first half of the year. Mars advises you to be patient and wait for the right person.

Still, Virgos in love do not face such delays. The months of July and August can be considered for disclosing your matrimonial choice to parents. Virgo Marriage Horoscope 2023 gives favorable time for marriage in the months of April, June and July. Avoid getting married in the month of May 2023. After the first half, as Jupiter strengthens in your horoscope, you are expected to bring lots of happiness in your love life and marriage.

If inclined to get divorced or involved in a marital legal battle, the second half of 2023 is when you can expect things to get sorted out. Avoid arguments with in-laws to avoid complications. Since Jupiter is strong in the second half, some of you may also consider reconciliation. Overall, don't have harsh feelings towards anyone. Try to handle situations in marriage with maturity.

### **REMEDIES:**

1. Worship Lord Shani, recital Shani Mantra to gain confidence and reduce insecurities in mind.
2. Read Hanuman Chalisa, this will make you calm and reduce your impatient behavior. Also, you can improve decision-making capabilities.
3. Mind gets restless sometimes, wear 'Panna' or Emerald gemstone on gold metal to reduce anxiety, if any in 2023.
